Dear Ohioans,

Our Supreme Court dealt treacherously in *Roe v. Wade* in 1973 in not justly recognizing the personhood of our unborn children. We wickedly submitted to that injustice and likewise dealt treacherously these last 50 years in all our 50 States and in our Federal Government. In overturning *Roe* with *Dobbs* in 2022, neither our Supreme Court nor any State has stopped their treachery. It continues and grows.

Please observe these fatal sayings in *Roe*:

"If this suggestion of personhood is established [by our court], the appellant's case, of course, collapses, for the fetus' (our unborn children's) right to life (and right to equal protection of law in every State) would then be guaranteed specifically by the [Fourteenth] Amendment."

Our court then unjustly determined without providing **any** evidence against the intent of the word, "person," that, *"All this, ... persuades us that the word, 'person,' as used in the Fourteenth Amendment, does **not** include the unborn."*

Likewise, our court in *Dobbs* in 2022 unjustly determined, *"Our opinion is not based on **any** view about if and when prenatal life is entitled to any of the rights enjoyed after birth."*

Please observe the fact that our highest court does not even cite as evidence the writings of **the author** of Section One of our Fourteenth Amendment, John Bingham, Member of our U.S. House of Representatives from our State of Ohio, who said in 1866,

*"In the Fourteenth Amendment I sought to obtain for **all human beings**... the precious rights of life, liberty and the pursuit of happiness. This means due process of law whereby the judicial system must look **benignly** at a person's attempt to seek redress of wrongs to his immortal rights..." and, "My purpose was to crown the rights of persons made in the image of the Almighty (all human beings)."*

Our treachery is most notably against the Almighty and Jesus Christ our Lord. We must repent **now** for the evil we allow our public servants to commit in our name. Please repent with me. Please call our public servants to repent. Let us bring forth fruit worthy of repentance.

"... [God] now commandeth all men everywhere to repent: because he hath appointed a day, in the which he will judge the world in righteousness by that man whom he hath ordained; whereof he hath given assurance unto all men, in that he hath raised him from the dead." (Acts 17:30-31)

Unborn child murder, "abortion," must be abolished, immediately and totally, in all our jurisdictions of the U.S.

Please remember, "Stephen Faris," and WRITE IT on your November 2022 ballot in Ohio for U.S. Senate.
