

Stephen Faris

Write In Candidate for U.S. Senate (Ohio)

Dear Ohioans,

It is universally held in tenets of law from time immemorial that no man, or body of men, may be both party and judge to a controversy.

“For all manner of trespass, ... which another challengeth ... the cause of both parties shall come before the judges;” (Exodus 22:9)

*“No man is allowed to be a judge in his own cause; because his interest would certainly bias his judgment, and, not improbably, corrupt his integrity... with greater reason, **a body of men are unfit to be both judges and parties at the same time...**” (The Federalist No. 10)*

Even our Supreme Court held in *Walker* (1967), “...in the fair administration of justice no man can be judge in his own case, **however exalted his station**, however righteous his motives... respect for judicial process is a small price to pay for the civilizing hand of law...”

All members of our Supreme Court dealt treacherously in *Roe* in not justly recognizing the personhood of our unborn children. The administration of justice in our nation was perverted as each member was made party to the controversy of unborn child murder. Each member’s fitness to hold office should have ceased by our Congress impeaching such bad behavior. It is universally, constitutionally, and politically irreconcilable that those members of our court were not impeached, but remained to sit as both party and judge in the same controversy beyond *Roe*. By treacherously failing to impeach in 1973, our Congress doubly poisoned our fountains of justice.

Three members in *Roe* also heard *Casey* unfittingly as party and judge in 1992. *Casey* retained the essential holdings of *Roe*, thus, the remaining six members in *Casey* committed the same treachery as in *Roe*. Our Congress again treacherously failed to impeach. Likewise, two members in *Casey* also heard *Dobbs* unfittingly as party and judge in 2022. *Dobbs* explicitly did not hold **any** view about unborn personhood, thus, the remaining seven members in *Dobbs* committed the same treachery. If our Congress treacherously fails the third time to impeach, our fountains of justice will be doubly poisoned in this matter alone for the third time. The ongoing fifty-year perversion of justice by our Supreme Court and the denial of justice by our Federal government and all our States is a very grave matter. With reason these are classed among the just causes of war, the innocent bloodshed of 63 million unborn children notwithstanding.

“Woe unto them that decree unrighteous decrees...; to turn aside the needy from judgment...” (Isaiah 10:1-2)

We must repent of all our treachery **now**. Please repent with me. Plead with our public servants to repent.

Unborn child murder, “abortion,” must be abolished, immediately and totally, in all our jurisdictions of the U.S.

Please remember, “Stephen Faris,” and WRITE IT on your November 2022 ballot in Ohio for U.S. Senate.
